MAXIMUM VELOCITY PROPULSION

Head Coach: Mark Lewis

**“One that can swim, need not despair to fly.
To swim is but to fly in a grosser fluid, and to fly is but to swim
in a subtler. Animals swim by nature, man by art.”**

Samuel Johnson, “The History of Rasselas” 1759

Coach Mark Lewis began his PMSL career as an athlete with TPDC at age 7 in 1970. During a career which lasted until 1981, he helped break League Records in B Grad Fr Relay in 1973+1975 as well as a 15-18B 200yd FR Relay Record in 1980. He was also a contributing scoring member of the 1974 A Div Champion TPDC team which went 5-0 in dual meets and won both the scored PMSL All Star Meet and Cheverly Relays under Coach “Skip” Grant.

Such success in the pool was an avenue towards his admission on scholarship at St. Albans where he was part of the 1979 STA team which beat Good Counsel to win the Inaugural Washington Metropolitan Prep-League Swimming and Diving Championship. In 1980 he was Co-Captain of an IAC Championship team which finished 4th at Metros. He proudly reminds modern STA athletes on MVP that he himself never lost a HS dual meet to Prep.

Mark graduated STA and attended Columbia University. During College Coach Mark began working as a Lifeguard and WSI for DCPR at the Capitol East Natatorium where he became a founding Coach of the DCDR AAU program in 1984. After graduation from Columbia, Coach Mark became a full-time Coach with DCDR and returned to PMSL as a Coach in 1986 with the reformed TPDC team which had been inactive 1983-1985.

Those early DCDR swimmers representing TPDC, such as current PGP Coach Crosby Treadwell, matured to eventually win a PMSL A Div title 1993. Coach Mark tells the story of working as Head Timer for the PMSL All Star Meet in 1993, thus having the chance to sign the OVC card to certify the TPDC B Grad Fr Relay Record.

The Lewis brothers of TPDC and the Cunningham brothers of MC spent 4 years lowering each other’s records 4 years straight odds and evens pattern. TPDC teams actually broke the record again in 1974 and 1977 but both those teams were disqualified at All Stars. The 1976 MC record thus remained until Coach Crosby helped bring it back to TPDC in 1993, a record which remained in turn until Coach Crosby’s own swimmers broke it in 2007.

Coach Mark had accepted a position as Asst. Dir of Aquatics for the St. Albans School in 1991, working for the legendary Oliver “Skip” Grant who was his TPDC coach from 1970-74. With the increased duties of working STA Summer Camps, Coach Mark had retired from PMSL coaching and only worked as Head Timer for meets until 1993. While at STA, he started coaching with the SDS team he swam for as an age-grouper, and was recruited back to PMSL coaching by his SDS swimmers, returning to PMSL as an assistant Coach for the Mount Vernon Pool F-Div team in 1998.

Coach Mark became Head Coach in 2001. After the Mount Vernon Pool closed for renovation for two years, the team admin decided to change our team name. Maximum Velocity Propulsion became the name because all other suggestions had Mark for the M in MVP and he wouldn’t allow it and offered Maximum Velocity Propulsion off the cuff in that moment.

Maximum Velocity Propulsion is a training approach focused on mechanical proficiency with young student-athletes becoming artists and artisans within the craft of Swimming as Sport. Under the new name, the team continued to mature to eventually win an A Div title in 2008. In 2011, Coach Mark retired again with MVP ranked #2 behind the Theresa Banks team coached by Crosby’s TPDC teammate Corey, now coaching PGPR.

Coach Mark returned to PMSL coaching as an assistant with MVP in 2014 after request from our team admin, and he promised us 5 years of service. After that Head Coach moved to Colorado in 2015, he again became MVP Head Coach and now, after 11 years, he is retiring again from summer league coaching.

Coach Mark explains that his gratitude to his early coaches E. Jane Stafford of SDS and Skip Grant of TPDC and STA were the reason he provided decades of service to the sport. Our motto under his leadership has been “Fun in Pursuit of Excellence” with primary assertion that those truly pursuing excellence are actually having more fun.

Assistant Coaches: Reese Samuel, Max Scott, Madeline Snyder, Latifa Boyce, and Sam Alexander
